

## What an ideal world would look like

---

**world peace**

war only with undeadly weapons

**keep the world clean**

**Leave room for animals**

find solutions together

take care for the environment

Love your parents or the ones that take care of you

**stop the world warming**

protect the forests

enough food and water for everyone

free hospitals

**Be happy**

don't kill animals for food, when we can produce meat artificial

everyone respects everyone

**no racism**

**fairness**

**same chances for everyone**

**every single person has the same rights and value**

every single person has a person to live with

only the ones who work harder have more money

everyone deserves free education

keep important buildings/streets

**no abuse**

**no terror**

everyone has right for a comfortable home

**no crime**

No killerclowns

fair wages

longer weekends

**A lot of good jobs**

Unproblematic politics

presidents with good intentions or no president

No Donald Trumps

**more holidays**

everybody should have a second chance

No rain

**everyone can expand/ practise/ use his talent**

**everyone can be himself**

the world as one country

rules that make sense

one language language every person can use

more support for sport

animals have rights to wear clothes
